October 16-17, 2015

Calling all Pastors and Christian Leaders!

RECHARGE

October 16-17, 2015

Seminars Begin at 1 pm on Friday

To be at our best for God, we need to take time to recharge our spiritual batteries, sharpen our tools, and catch a new vision and passion for ministry. KMBC's "Recharge" is specifically designed for Christian Leaders, focusing on the themes of leadership and outreach. We have a strong line-up of speakers who are qualified to speak on these subjects.

Dr. Louis Bustle, a career missionary in the Church of the Nazarene and former Global Missions Director for the denomination, is a well-known and dynamic speaker.

*Dr. Robert Coleman has given years of leadership to the Billy Graham Center for Evangelism and has authored 21 books, including *The Master Plan of Evangelism* which has been read in over 100 languages.*
