KENTUCKY MOUNTAIN BIBLE COLLEGE ALUMNI NEWS

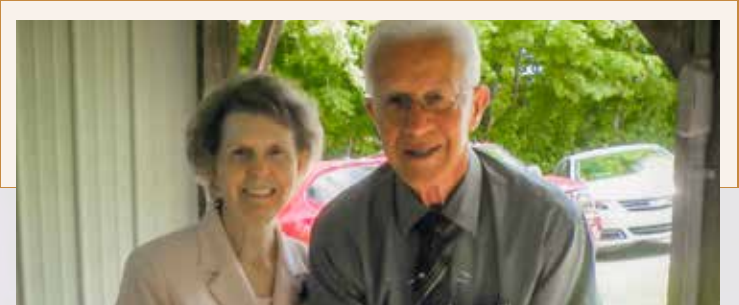

ALUMNI PROJECT: NEIHOF SCHOLARSHIP

This year, the KMBC Alumni are honoring Dr. Eldon and Agnes Neihof by establishing an endowed scholarship in their honor!

The Neihofs have both given their lives in full-time ministry in the KMHA. Few others have made a greater contribution and given themselves as tirelessly to the KMHA than the Neihof's. For many years Agnes served as a teacher and later office worker at Mount Carmel. Following the unexpected death of Karl Paulo in 1981, Eldon was handed the responsibility of serving as the president of the Kentucky Mountain Holiness Association. Over the years, he has shouldered a huge load. Even in retirement, Eldon continues preaching as a holiness statesman. Both Eldon and Agnes have been a supporter and encourager to the next generation of new leaders.

The Neihof's are most deserving of this honor! So far, the Alumni Association has received \$620. Your gifts may be sent directly to KMBC, 855 Highway 541, Jackson, KY 41339.

50 YEARS OF MINISTRY

On June 24th 2018, the London Community Church honored Delmer ('67) and Yvonne Gross ('68) for 50 years of ministry in the church and community. Their children and families were present along with other KMBC graduates including Bob & Rachel Stilson, Mary Ellen Mowery, and Henrietta Griffith.

Back in 1968, Miss McConnell asked Delmer to visit London to see if he would be interested in coming to the church to pastor. Delmer visited and led the singing for a revival held by Seldon Short while David and Ida Belle Ford were the pastors. Delmer began pastoring the church the first Sunday in June and Yvonne joined him in August after their wedding. The couple immediately fell in love with the people and began reaching out to the un-churched in the community. Through the years those relationships have grown and many more have been added to the church family. "To God be the Glory."

Are the feet of him who brings good news (Isa. 52:7a)*
