PRAYER REQUESTS

HEALTH

Summer Teams have long days which can take a toll on their bodies. Please pray they would remain healthy physically and mentally.

TRAVEL

Our Teams will be traveling thousands of miles across the US. Please pray that they would have safe travels, and sound vehicles.

WISDOM

There will be many opportunities to minister this summer. Pray that God would give our students wisdom when speaking to those they encounter.

REST/SLEEP

Pray that our teams would be able to rest and sleep well. Traveling and sleeping in new places can take a toll.

GROWTH

Ministry Teams can be a time of stretching and growth. They may be outside of their comfort zones, and face difficult situations. Pray that God continues to shape and mold them to be more like Himself.

PERSONAL RELATIONSHIPS

Pray that each team is able to interact and respond well to one another, and that any disagreements or misunderstandings are responded to in a healthy way that promotes forgiveness and camaraderie.
